Detox & Inpatient Programs in Maryland

Located in Maryland, our licensed and accredited Harford County, Charlotte Hall and Prince George's County programs provide individualized inpatient and co-occurring disorders treatment for adult men and women struggling with substance use.

Designed to meet the specific needs of each individual, our program staff includes medical professionals, a counseling team led by master's level clinicians, and peers with experience managing substance use and mental health disorders.

Maryland Medicaid, VA-CCN, and most commercial medical insurances are accepted. The Harford County program also accepts Delaware Medicaid.
