## **Hammonton Detox and Inpatient Treatment Center**

Pyramid Healthcare's Detox and Inpatient Treatment Center in Hammonton provides a trauma informed, person centered treatment model for men and women in search of meaningful, long-term recovery.

In addition to evidence-based treatment, clients participate in scheduled groups, individual counseling, and a variety of elective groups that support their transition to a sober lifestyle in an expansive setting.

### **What We Offer**

- » Medically supervised detox
- » Co-occurring treatment
- » Medication Assisted Treatment (MAT)
- » 12-step program
- » Trauma informed care
- » Motivational interviewing
- » Individual counseling
- » Group therapy
- » Anger management
- » Music therapy & yoga
- » Elective group options
- » Outdoor recreational activities

## **Withdrawal Management Program**

We offer a safe, medically-supervised withdrawal from alcohol and other substances in a comfortable, non-hospital setting. Medical and psychiatric care, assessment and intake, continuing care planning, counseling, crisis intervention, and appropriate referral services are included.

## **Residential Care Program**

Our adult Residential Care Program offers short-term and long-term variable lengths of stay based on client need and clinical appropriateness including:

### **Short-Term**

- » Medical assessment & management
- » Individual counseling
- » Group counseling
- » Targeted education
- » Case management
- » Discharge & aftercare planning
- » Appropriate referral & follow-up

### **Long-Term**

- » Trauma-sensitive treatment
- » Life skills curriculum
- » Mental wellness & coping skills
- » Physical health & well-being
- » Long-term goals
- » Discharge & aftercare planning
- » Holistic treatment options
