Certified Recovery Specialist Services

**at Chambersburg & Waynesboro
Outpatient Treatment Center**

Individuals in early recovery can now begin their journey with a Certified Recovery Specialist (CRS) who:

- » draws upon their own experience and knowledge to provide compassionate, empathetic, & accountable support
- » removes barriers to recovery that can often result in relapse
- » fulfills many roles including recovery coach, resource broker, confidant, advocate, & role model
- » helps individuals develop a sense of independence while achieving recovery
